SUNY UPSTATE BRIDGES TO BACCALAUREATE PROGRAM

WHAT IS THE BRIDGES PROGRAM?

A program aimed at helping students make the transition from 2-year junior or community colleges to full 4-year baccalaureate programs.

The program offers paid 8-week ($600/week) summer research experience at Binghamton University and, if a minimum GPA of 2.7 is maintained both in science courses and overall at the community college, guaranteed admission to Binghamton University's Harpur College of Arts and Sciences.

PARTNER SCHOOLS

Binghamton University

Monroe Community College

Onondaga Community College

Westchester Community College

WHO IS ELIGIBLE TO APPLY?

- Full-time community college students from racial, ethnic, disabled and low-income groups that have been shown by the National Science Foundation to be underrepresented in health-related sciences on a national basis.
- Students with a minimum GPA of 2.7 in the sciences and overall
- Students with experience in college level science courses such as general biology, general chemistry, etc.
- U.S. Citizen or permanent resident
