

4 Year Transfer Locations within One Year of Graduation of 2014-2015 Graduates

The National Student Clearinghouse allows institutions to track students as they transfer from one participating institution to another. Institutions can receive data regarding when and where a student is enrolled as well as if the student has received any credential.

This report examines Westchester Community College graduates who transferred to a four year institution within one year of their WCC graduation. Students who transferred to two year institutions after graduating, re-enrolled at WCC, or transferred more than a year after their WCC graduation were not included.

Of the 1,654 students who received a credential during the 2014-2015 academic year, 723 (43.7%) transferred to four year schools within one year of graduation.
