HOW TO USE THE FACT BOOK

Throughout the year, the Office of Institutional Research and Planning produces various statistical reports and graphs about Westchester Community College. This booklet is simply the result of "scooping up" most of the reports produced during the academic year 2013-2014 and making them available in one easy-to-use collection.

A Table of Contents is provided to make the Fact Book more user friendly. The statistical reports and graphs are categorized under specific topics, such as *enrollments*, *faculty*, or *non-credit statistics.* A separate page number has been given to each report.

We welcome any questions you might have, and hope this will be a helpful source of recent facts and statistics about Westchester Community College.

ACHIEVEMENTS FOR 2013-2014

- Westchester Community College ranks among the 30 community colleges in the SUNY system: fourth in total credit FTE's for fall 2013, and first in non-credit enrollments. We had a Fall, 2013 headcount of 13,781 in credit classes, and 13,903 annual in non-credit courses.
- The College's physical plant consists of 218 acres which includes 21 buildings, approximately 25 acres of parking lots and approximately 22.7 acres of athletic fields. All our public facilities are handicapped accessible, and we continually seek improvements through our capital projects planning and implementation.
- In addition to the Valhalla campus the College has 30 off-campus sites offering courses to both credit and non-credit students. Since 1970, the College has offered classes in over 39 public schools from Yorktown to Yonkers, approximately 110 organizations in the For Profit, Not-for-Profit and Government Sectors, and 53 civic associations from the American Red Cross to the Yorktown Chamber of Commerce, in over 18 public libraries from Armonk to Yonkers, 26 hospitals, and 25 senior centers and senior living facilities. Accessibility is our watchword.
- Diversity of the student body: Over 52% of the total credit student body is female, and over 56% are minority and Hispanic. In Fall 2013, students enrolled at WCC were from 41 other countries.
- The Division of Continuing Education and Community Services is now known as the Division of Continuing Education and Workforce Development, to better reflect our commitment to offering additional programs and services to directly benefit the local workforce needs.
- Westchester Community College has new and updated Transfer Agreements as of 2013-2014 with the following: College of New Rochelle, Excelsior College, and Fashion Institute of technology, Marymount Manhattan College, Pace University, and Purchase College.

- Of the 2012 graduates responding to the annual graduate survey, 57.8% of the respondents were employed either full-time (65.2%) or part time (34.8%). Of those employed, 63.3% were employed in Westchester County and another 26.7% in New York State, but outside the County. They work for virtually all major corporations, small businesses, government, hospitals, etc. in the County.
- The average full time salary earned by respondents, six months after graduation from the College is approximately $37,499. The median salary is $30,000.
- Number of programs of study at the College: 46 Degree programs granting an Associate Degree and 21 Certificate Programs.

- The Yonkers Activities Council, the first official college club in Yonkers, will initiate a series of common hour events to engage students in their college experience. The club president and officers will participate in student government.
- The Division of Continuing Education will continue its relationship with the County Probation Department to provide information regarding educational pathways for their clients.
- The Division of Continuing Education will continue to work with the Network for Teaching Entrepreneurship to host an annual county-wide competition.
- The Division of Continuing Education will collaborate with The Foundation to identify sustaining funding for entrepreneurship youth activities (Entrepreneurship Summer Academy, etc.)
- A stronger WCC-BOCES partnership for career and technical programs is planned.
- The Division will continue to serve the needs of the developmentally disabled adults by working in partnership with The Successful Learning Center.
- EOC will provide professional development for faculty in the Medical Billing and Coding Program to ensure that students are trained on the most advanced applications used in the industry.
- EOC will provide pre-summer and summer programs for ESOL students to support their advancement into higher level programs in the fall. It will provide training for accelerated HSE students to help them prepare for and take the new TASC® exam.

- EOC will explore and develop new partnerships with employers and/or unions, to increase employment opportunities for students.
- The College Connections Program will be expanded to provide a broader array of services to all EOC students and particularly to those who are college bound.
- EOC will implement a Pre-Vocational Preparation Program to provide students with the knowledge and foundation skills needed to meet the minimum academic requirements for enrollment in a variety of vocational training programs, in order to bridge the enrollment of underprepared students into vocational training programs of their choice.
- EOC will explore and add a new program offering in Allied Health focused on administrative assistance in a medical office environment.
- EOC will continue to modify the curriculum for the High School Equivalency Preparation program to conform to the roll-out of the Test Assessing Secondary Completion (TASC®) and the modifications that will be made to this high school equivalency exam by the New York State Education Department's approved vendor over the next three years.
- EOC will provide opportunities for faculty and staff to participate in professional development to gain knowledge and expertise in the upgraded software that will be deployed in the Medical Billing and Coding program to ensure that students are trained on the most advanced applications used in the industry.
- EOC will transform the Career Center into a College and Career Center to provide greater opportunities for college bound students to access information and resources that are needed for college.
- EOC will create capacity to administer online high school equivalency tests in all computer classes.
- Information Technology will upgrade PeopleSoft Finance 9.0 to PeopleSoft Finance 9.2.
- Information Technology will start a multiyear project to expand wireless services to the green spaces on the Valhalla campus.
- Information Technology will continue to migrate the phone system to Voice over IP to improve service quality.
- The Information Technology Department move into production a new print management system which was successfully piloted on all student printers over the last year.

[1] Percentage of specific disabled students of total number of disabled students.

[2] Percentage of disabled students is of total fall credit enrollment.

[3] Prior to 1994, the term "Multiply Impaired" was used. This category is now called "Other Health Impairments" (OHI).

[4] Beginning in 2000, the tracking of disabled students was automated and new categories were added.

[5] The total is an unduplicated headcount, however many students have more than one disability.

[6] Now Designated as Physical Disability

[1] Riverside (Yonkers) Graduated for the first time in June 2011.

[2] Roosevelt High School is now called Early College (Yonkers).

WCC STUDENT GRADUATION AND TRANSFER RATES

BASED ON CALCULATIONS ESTABLISHED BY THE
STUDENT RIGHT TO KNOW ACT

FALL 2010 COHORT

Under the guidelines set forth by the federal *Student Right to Know Act*, the graduation rate for first-time, full-time, degree-seeking students in the Fall 2010 at Westchester Community College is **13.9%.**

2010 WCC First-Time Full-Time Students*	Number	Percentage
Total Number of Students in Cohort	2,200	100.0%
Graduated Within Three (3) Years	**305**	**13.9%**
Transferred to SUNY colleges <u>without</u> graduating	**174**	**7.9%**
Graduated with Certificate	14	0.6%

* The overall graduation rate is also known as the "Student Right to Know" or IPEDS graduation rate. It tracks the progress of students who began their studies as **full-time, first-time degree- or certificate-seeking students** to see if they complete a degree or other award such as a certificate within 150% of "normal time" for completing the program in which they are enrolled.

Some institutions also report a transfer-out rate, which is the percentage of the full-time, first-time students who transferred to another institution.

Note that not all students at the institution are tracked for these rates. Students who have already attended another postsecondary institution, who began their studies on a part-time basis or non-matriculated, are not tracked for this rate.
