

## **Adding the Library Wireless Printer to your laptop: Windows Vista**

### **Installing the printer driver:**

1. Verify you have access to the network by browsing the Internet.
2. Open Printers by clicking the Start button , clicking Control Panel, clicking Hardware and Sound, and then clicking Printers.
3. Click Add a printer.
4. In the Add Printer Wizard, select Add a network, wireless or Bluetooth printer.
5. Vista will search for available printers. Select the Dell Laser 5310 printer (IP Address 180.101.8.196), then click Next.
6. If prompted, install the printer driver on your computer. (Vista will select the correct printer driver, verify it's the Dell Laser Printer 5310n, and click Next.
7. Complete the additional steps in the wizard, and then click Finish.

**Be sure to select the Dell Laser Printer 5310n printer when printing.**

### **Removing the printer from your PC:**

1. Open Printers by clicking the Start button , clicking Control Panel, clicking Hardware and Sound, and then clicking Printers.
2. Right-click the printer that you want to remove, and then click Delete.

**LOCATION: The printer is located in the library at the 1<sup>st</sup> Floor Reference Desk.**

**THIS WIRELESS PRINTER IS OFFERED STRICTLY AS A COURTESY TO OUR STUDENTS.**

**Westchester Community College Information Technology Policy states that Westchester Community College Technical Support DOES NOT SUPPORT any non-WCC Hardware. If you cannot connect the wireless printer to your laptop following these instructions, you will have to use our networked equipment.**
