

# Feeling lost when it comes to computers, Internet, and Email?

## Register now for a class in **COMPUTER FUNDAMENTALS!**

### **Computing Fundamentals for Windows — Offered in Mount Vernon!**

Whether you are brand new to computers or you want to brush up on your computer skills, this course is for you. In this course, you will learn how to:

- Perform basic operations using Windows-based computers
- Manage, organize, and search for your files and folders
- Use Internet browsers and search engines
- Manage your email folders and attachments
- Understand social media sites including Facebook and Twitter.

**Class meets 6 Tuesdays & Thursdays, March 20 - April 5 • 1:00pm - 4:00pm**  
**\$360 + textbook** (available at the bookstore in Valhalla).

**17 S. Fifth Avenue**  
**Mount Vernon, NY 10550**
