Conditions for a Deferment

I realize that if my financial aid does not come in on time, to cover the remaining balance due on my student account, I am responsible to pay any outstanding balance by the due date. If I do not pay the outstanding balance due by the due date, I understand that the following action will be taken:

1. All my records will be frozen by the College in accordance with section 302.1(j) of Chapter V, Title 8 of the official rules and regulations of the State of New York.
2. I will remain indebted to the College for money owed and collection procedures will be initiated against me.
3. In accordance with the policy of Westchester Community College, I will not be permitted to register until I have paid all outstanding debts owed to the College.
4. I will forfeit my deposit and/or tuition payments made negotiating this deferment if I do not cancel my registration before the first day of the semester.

I, the above applicant, understand and agree to the conditions under which this deferment has been granted, as outlined above. Furthermore, I do hereby give Westchester Community College permission to apply any monies which I receive from Federal, State and/ or other funding agencies (e.g. PELL, SEOG, NDSL, GSL, TAP, APTS, private grants, etc.) to cover my outstanding indebtedness.

This note shall be executed without security and without endorsement, unless the maker is a minor. If the maker is a minor, endorsement is required.
