# The Ossining Summer Science Academy 2013

## Morning Classes

### Intro to Human Anatomy for ages 8-12
Using skeletons and models, students explore basic human anatomy, concentrating on the ways in which body parts fit together to influence how we move, function and carry out everyday physiologic processes.

M/T/W/Th. August 5-15, 9:30 -11:30 AM, $160. #5032

### Intro to Environmental Science/Go Green For ages 9-12
This class will integrate the study of science and art. Students will engage in hands-on activities and art projects, while raising awareness about environmental issues and earth science. Students will create projects that encourage them to think critically about recycling, conservation, the world and our environmental footprint.

M/T/W/Th. August 5-15, 9:30AM-11:30 AM $160. #5033

### The Science of Forensics: What’s Behind CSI? For ages 13-17
Ever wonder what goes on behind the scenes at CSI? Here’s your chance to become an investigator, explore mock crime scenes, collect evidence, and uncover hidden clues.

M/T/W/Th. August 5-15, 9:30-11:30 AM, $160. #5034

## Afternoon Classes

### The Scientist as Detective—for ages 8-9
Students will learn how to decide what questions to ask, what procedures to follow, how to collect, organize & interpret data.

M/T/W/Th. August 5-15, 12:00-2:00 PM, $160. #5035

### The Scientific Method—for ages 10-12
This class will provide the opportunity for students to ask questions, form hypotheses, design & perform experiments, make observations, collect data, & draw conclusions.

M/T/W/Th. August 5-15, 12:00-2:00 PM, $160. #5036

### The World of Emergency Medicine — for ages 13-17
Come and explore the responsibilities and rewards of being an emergency medicine professional.

M/T/W/TH August 5-15 12:00-2:00 PM $160 #5037

*Please note that there is an $8.25 registration fee.

The Ossining Extension Center is located on Route 9 in the Arcadian Shopping Center. For those who select a day-long experience, a 30-minute supervised lunch is scheduled between morning and afternoon sessions (students bring their own lunch).

For complete course descriptions, visit our website at [www.sunywcc.edu/CE/summercamps](http://www.sunywcc.edu/CE/summercamps) or call 914-606-7400 to register.
