How to Make Your Schedule Online

**STEP 1:** Go to the MyWCC Portal – [HTTPS://MYWCC.SUNYWCC.EDU](https://MYWCC.SUNYWCC.EDU) – and, under “SIGNON”, put in your “USER ID” and “PASSWORD”. (If you have not already created your USER ID and PASSWORD previously, that must be done first!)

Once you’ve successfully logged into your Home Page, in the second column under the Student Center box, you will see the following box:

**IMPORTANT:** WINTER sessions are *not* meant for current WCC students – the term overlaps into the Spring!

**STEP 4:** On the “SELECT CLASSES TO ADD” page, use the green “SEARCH” button to look up courses. This will bring you to the “ENTER SEARCH CRITERIA” page.

Enter Search Criteria:

**STEP 5:** In the “COURSE SUBJECT” field, click the green “SELECT SUBJECT” button for an alphabetical list of courses.

**STEP 6:** Once you’ve selected the desired Course Subject, click the green “SEARCH” button to continue.

**STEP 7:** The “SEARCH RESULTS” page will give you all available class sections for that department, both on and off campus selections. Make sure to pay attention to the following:

- **1) Catalogue Number / Course Title.**
- **2) Click “VIEW ALL SECTIONS” to see all possible course selections.**
- **3) The “ROOM” tells where on campus OR off campus the course is located.**

**Note:** Off Campus courses will be identifiable under Room and will specifically give the extension center – Center for the Arts, Cross County Yonkers, Roosevelt, Mt. Vernon Extension, Ossining Extension, Peekskill Extension, Port Chester MS, Lakeland High School, Mahopac HS, Blessed Sacrament HS. If a Room says “TBA” the course will be offered On Campus: “Online Education” means just that, Online.

**STEP 8:** When you’ve found the section which best fits your schedule, click the green “SELECT CLASS” button to add the class to your Shopping Cart – confirm your selection by pressing the green “NEXT” button. You will be directed back to the Select Classes to Add page – repeat Steps 1-7 to add more classes!
STEP 9: Once all your classes have been placed in the Shopping Cart, in order to make sure there are no time conflicts, academic or financial holds, or prerequisite issues, etc., select all the check boxes under “SELECT” and click “VALIDATE”. This DOES NOT mean you’re enrolled! Make sure to read the “MESSAGE” boxes if you see a ⌫ in the “STATUS” section. You must speak with an Academic Counselor if this occurs. If the ⌫ is referring to a time conflict, you must adjust this yourself!

STEP 10: To get back to your Shopping Cart from the Validate page click the green “SHOPPING CART” button.

STEP 11: If you are ready to enroll, select all the check boxes under “SELECT” and click “ENROLL”.

NOTE: If there is a hold on your account you will not be able to proceed past this point. Please ask for help from a designated Assistant/Counselor.

STEP 12: The final step will be to “CONFIRM CLASSES”: Click the green button “FINISH ENROLLING”. If the registration was successful the “VIEW RESULTS” screen will either display a ☑ confirming the successful addition of any course(s), or an ⌫ illustrating the registration was successful.

Each class you select appears in the “SHOPPING CART”

*N O T E: This is only a holding point – the classes have not yet been officially submitted for registration.*

Classes are not lost if you log out of PeopleSoft before submitting the courses – they’re saved!
