Westchester Community College and Entergy are pleased to be partnering with local high schools in Westchester County on an innovative program designed to introduce high school students entering the 11th and 12th grades to the field of energy. This program will expose students to professionals from the industry and will allow them to spend a week in a college setting while learning about the different areas of the energy industry.

**Highlights of the program:**

- An opportunity to learn about the fundamentals of energy science.
- Except for a $15 processing fee, the program is fully subsidized.
- Field trips to Indian Point Nuclear Power Plant and Con Edison.
- Exposure to professionals from the energy community.

To register for this program, please see the form on the other side of this flyer. Seats are limited and students will be accommodated on a first-come, first-served basis.

off-campus trips. I understand that faculty members and agents of Westchester Community College will supervise all trips and that my child will be transported in a college-owned or contracted vehicle.

I request that my child be allowed to attend all such field trips that s/he is eligible to attend. I further understand that my child will be required to submit his/her social security number or passport or green card for the trip as part of the application process and that failure to do so may result in his/her inability to attend the off campus trips. I understand that should I not want my child to attend a specific off campus, school related trip, it is my responsibility to notify Steve Leone, Professional Development Center at 914-606-6658, within 24 hours prior to the scheduled trip regarding my request to withhold my child from the trip. I understand that on the day of the trip my child must have with him/her a government issued photo ID.

I also authorize any medical treatment in case of emergency and agree that I am responsible for the cost of such treatment.

By my signature below, I agree to release, hold harmless and indemnify Entergy, Westchester Community College, and all related agents, representatives and associates with this program from all claims, damages and other liabilities for injuries my child might incur which are not the result of gross negligence, intentional neglect, or willful or wanton conduct by the school or its agents, representatives, or employees.
