SUNY System-wide Policy on Mandatory Reporting and Prevention of Child Sexual Abuse

[the “Mandatory Reporting Policy”]

Effective Dec. 2012
Any employee or student of or volunteer for the State University of New York who witnesses or has reasonable cause to suspect any sexual abuse of a child occurring on State University property or while off campus during official State University business or University-sponsored events shall have an affirmative obligation to report such conduct to the relevant University Police Department immediately. Such report should include the names of the victim and assailant (if known), other identifying information about the victim and assailant, the location of the activity, and the nature of the activity. Upon receiving such a report, the applicable University Police Department shall promptly notify the Commissioner of University Police at SUNY System Administration who shall report such incidents to the Chancellor for periodic reporting to the Board of Trustees.

In addition, to aid in the prevention of crimes against children on property of the State University of New York and/or during official State University business at events sponsored by the State University of New York, relevant employees should be trained on the identification of such crimes and proper notification requirements. Vendors, licensees or others who are given permission to come onto campus or to use University facilities for events or activities that will include participation of children shall ensure that they have in place procedures for training, implementation of applicable pre-employment screening requirements and reporting of child sexual abuse.

For purposes of this policy, the applicable definitions of child sexual abuse are those used in the NYS Penal Law in Articles 130 and 263 and Section 260.10 and “child” is defined as an individual under the age of 17.
Mandatory Reporting Policy

Mandates Reporting to University Police

Employees + Students + Volunteers

have an AFFIRMATIVE DUTY to report Child Sexual abuse to University Police when abuse occurs

On university property

OR

Off university property during official university business or during university-sponsored events
“Reasonable cause to suspect” means that based on your rational observations and experience, you have a suspicion that the child is being sexually abused* on SUNY property or off campus during official SUNY business or during SUNY-sponsored events.

* Adapted from the NYS Office of Children & Family Services.
Mandatory Reporting Policy

• Policy creates mandated reporting requirement for SUNY.

ALL SUNY STAFF, STUDENTS & VOLUNTEERS have an affirmative duty to report incidents ONLY related to activities on University property or University-sponsored events off campus

• “Mandated reporting” has different meaning than “Mandated Reporters” under New York State law, who are ALWAYS required to report.
Mandatory Reporting Policy

Police Investigation

• Upon receiving such a report, the applicable University Police Department will promptly notify the Commissioner of University Police at SUNY System Administration, who will report such incidents to the Chancellor for periodic reporting to the Board of Trustees.
