Dear President Miles, Westchester Faculty and Staff, Family, Friends,
and the Graduates of the Class of 2017,

Congratulations on this momentous occasion! It is my pleasure to welcome to all on this special day, an important milestone celebrated in the company of your family, friends, and supporters.

Though I am not there with you to celebrate in person, I want you to know that I feel your excitement, your pride, and your hope for the future.

As you step away from Westchester and into the next chapter of your life, I want you to continue to carry with you the sense of purpose and discipline that brought you this far. Remember every day what you learned here, not just in your studies, but what you learned about yourselves and what you can accomplish when you set your mind to making and reaching a goal and building your best life.

On behalf of the entire State University of New York, I extend our best wishes for continued success.

Congratulations!
