State University of New York  
Valhalla, New York 10595-1698

Dear English Language Learner:

Thank you for your inquiry about Westchester Community College's *Intensive English Language Program*.

### The Intensive English Language Program

This program is for students who want to study intensively in an English program in the United States for 3 or more months. Our students are usually preparing to study at a US university or to work in a profession that requires English. Students study a minimum of 18-hours per week, Monday-Friday. Daily classes engage students in the study and practice of all language skills: grammar, conversation, listening, reading and writing. Field trips in and around nearby New York City and sessions in the language laboratory are integrated into the program.

During the Spring (January–April) and Fall (September-December) semesters, students may choose between two schedules:

**Option 1: Morning Intensive English Program**  
Monday – Friday, 9:00 am – 12:00 pm

**Option 2: Afternoon Intensive English Program**  
Monday – Friday, 3:00 pm – 6:00 pm

During the Summer (May – August) semester, continuing students must study in the morning program, but new students may begin in either the morning or afternoon programs.

**An additional 3-hour ESL class of your choice is required to fulfill your F-1 status requirement.**

### Placement Examinations

New students may start at the beginning of the Fall, Spring or Summer term. At the beginning of a term, every new student is tested and placed into the appropriate language level.

**New students MUST be present for this placement test.**

### Expenses

Students should consider several costs when calculating their expenses. These costs include: tuition per semester, books, and living expenses per semester. The following amounts are estimates:

## F -1 VISA Information

### Important Regulations

- Immigration regulations require that you maintain your status as a full time student while you are in the USA with an F-1 visa. If you stop studying full-time, you will lose your status and may be subject to deportation. Full-time study requires a minimum of 18 hours per week in the Intensive English Program.
- F-1 student status requires special permission to work on campus from Social Security Administration as well as from the ESL Program. It is considered a serious violation if an F-1 student works without permission.
- Your financial documents must prove your ability to pay the cost of tuition, books and living expenses for the length of your program. Living expenses are expected to be lower if a relative or sponsor is providing your room and board. Please see attached information for specific kinds of financial documentation.

### Forms

The Intensive English Program can give you a Form I-20, which is required if you want to apply for the F-1 Student visa. First you must provide the following to the Intensive English Program:

- *A completed Intensive English Program application form*. Please complete all parts of the application form, including providing a passport-style photograph.
- *Financial documentation*. All students must prove that they have the ability to meet financial obligations while studying in the United States on an F-1 visa. Students can meet these expenses in a number of ways:
  1. Personal funds (See **Documenting Financial Support**, attached).
  2. Funds from one or more sponsors (See **Sponsor's Affidavit of Annual Financial Support**, attached).
  3. Local sponsor's promise of free room and board (See **Sponsor's Affidavit of Free Room and Board**, attached).

Please complete the enclosed forms and return to the address below. If you have any questions please feel free to contact me Tuesday - Saturday. We look forward to receiving your application and having you study with us.

### Registration

We encourage all applicants to register **in advance** to guarantee a space in the program. A friend, family member, or sponsor can register for a student who is not yet in the U.S. Registration begins in the ESL Program Office, Academic Arts Building, Room 302. Call 914-606-6656 for more information about registration or to register by telephone. Tuition must be paid in full at time of registration.

### Housing

Westchester Community College does not have any housing services for international students. Almost all students in the Intensive English Program live with friends or relatives near the College. A few rent their own apartments.

If you have any questions please feel free to contact me Tuesday – Saturday.

Sincerely,

## WESTCHESTER COMMUNITY COLLEGE - INTENSIVE ENGLISH PROGRAM

### DOCUMENTING FINANCIAL SUPPORT YOU MUST BE ABLE TO PROVE THAT YOU WILL HAVE THE FINANCIAL SUPPORT TO COVER YOUR MINIMUM ANNUAL EXPENSES FOR THE ENTIRE LENGTH OF YOUR PROGRAM OF STUDY

The American Embassy or consulate requires to see that funds are available to cover one year's minimum expenses and that there is sufficient evidence that equal amounts will be available for every year of your program. Our requirements are the same for issuing your Form I-20.

#### TYPES OF FINANCIAL SUPPORT

- Personal funds
- Funds from a sponsor such as a parent living in the home country or a local relative or friend
- Local sponsor giving free room and board

#### DOCUMENTING FINANCIAL SUPPORT

1. Sponsor affidavits — the promise to support you by giving you up to a specific amount of money for a specified period of time. Also, if relevant, the promise to provide free room and board.
  2. Bank Letter (not a monthly statement) The letter states when the account was opened and the current amount of money in the account and the average balance.
  3. Proof of Employment and Income
  4. Tax returns (normally unnecessary but sometimes strengthen the application)
- **Documents must be in English, less than six month old and in US dollars.**
  - **Photocopies and faxes are accepted. The American Embassy will need your originals when you get your I-20 and apply for the F-1 Visa.**

#### YOUR SPONSOR'S INCOME IS MORE IMPORTANT THAN YOUR SPONSOR'S BANK STATEMENT

- Bank statements are very poor evidence of your sponsor's ability to support you unless the balance is very high.
- Proof of your sponsor's income must be on the employer's letterhead, on income tax returns or receipts,  
or estimated by a bank or private accountant if the sponsor is self-employed.
- The income of a company is not the income of the owner of the business.

#### BANK DOCUMENTS

- This document must say: 1) The date the account was opened, 2) The average annual balance.
- Bank statements saying "enough" or "sufficient" funds are available, or that "the account holder is capable of supporting the student" will not be accepted.

#### A SPONSOR IS THE SOURCE OF THE SUPPORT

- A sponsor may be one or more family members, friends or organizations.
- A family member in the U.S. who is receiving money from another family member in another country to give to you is not a sponsor.
- You may sponsor yourself completely or partially. The amount in your account will be divided by the number of years in your program.

#### SPONSORS MUST SUBMIT A "NOTARIZED" AFFIDAVIT

- Each sponsor must submit an affidavit stating exactly what is to be provided annually.
- Affidavits must be signed by the sponsor in the presence of a notary public and the notary public's official seal must be put on it.

#### FREE ROOM AND BOARD COUNTS AS CASH SUPPORT

- A person who is giving you a place to live and food to eat must submit a notarized affidavit of free room and board with a copy of the property deed or rental lease.
- Free room and board reduces living expenses by the amount indicated for housing, utilities and food expenses unless the sponsor is also providing other cash support.
- Affidavits will not be accepted if the place to live is too small or too far from WCC.

**NON-LIQUID FUNDS OR PROPERTY ARE NOT ACCEPTED**

- Income from investments and property should appear in bank accounts.
- Retirement accounts are not accepted.

***THE MOST COMMON REASONS  
FINANCIAL DOCUMENTS ARE REJECTED ARE.....***

DOCUMENTS ARE TOO OLD

AFFIDAVITS ARE NOT NOTARIZED

SPONSORS PROMISE MORE MONEY THAN THEY CAN AFFORD

BANK STATEMENTS DO NOT STATE THE AVERAGE ANNUAL BALANCE

SPONSORS SUBMIT BANK DOCUMENTS AS THE ONLY PROOF OF SUPPORT

STUDENTS SUBMIT BANK STATEMENTS IN THEIR NAMES  
SHOWING JUST ONE YEAR'S MINIMUM ANNUAL EXPENSES AVAILABLE

DOCUMENTS ARE NOT IN ENGLISH OR DO NOT INDICATE FUNDS IN U.S. DOLLARS

***DO NOT ASSUME THAT YOU WILL BE ABLE TO WORK TO HELP MEET EXPENSES!!  
EMPLOYMENT IS STRICTLY CONTROLLED BY THE IMMIGRATION SERVICE!***

## **Sponsor's Affidavit of Annual Financial Support**

### **YOUR COMMITMENT AS A SPONSOR TO A STUDENT**

When you complete the Sponsor's Affidavit of Financial Support on the other side of this page, you are certifying and swearing to Westchester Community College Intensive English Program, a public official and the US government that you can and will provide a student with a specific amount of money for every year of study at Westchester Community College Intensive English Program.

It is assumed that you have carefully considered the real costs of supporting the student while living and studying in New York and do not expect that he/she will be able to find employment or other support after beginning school. Employment is strictly controlled by the US Immigration Service and permission to work is extremely difficult to get. You should anticipate that the student's expenses will increase 4-5% annually. Sponsors who fail to meet their stated commitment jeopardize the student's education and legal status in the US and cause pain and suffering.

### **INSTRUCTIONS FOR COMPLETING THE AFFIDAVIT**

1. Fill out the form on the back of this page completely. Please print or type.
2. Promise to provide only the amount you intend and are able to give to the student.
3. Sign the affidavit in the presence of a notary public in the US or other licensed official in your country. The notary public or official must sign and put the official seal on the affidavit.
4. Attach documents which prove that you are capable of providing this amount of support.
5. Documents must be in English, less than six months old and in US dollars. Photocopies and faxes are accepted. However, the student will need original copies when going for the visa.

### **PROVING FINANCIAL SUPPORT**

Prove you ability to support the student by sending us the following documents:

1. A certification from a bank or other financial institution stating the date the account was opened, the total amount deposited for the past year, and present balance. Bank statements alone will not be accepted as sufficient proof of ability to support the student unless the account balance is very high. Bank statements saying "enough" or "sufficient" funds are available to support a student are not accepted. All statements must indicate US dollar amounts.
2. A letter from your employer on business stationery stating your annual salary, or income tax receipts and forms (preferred for US Residents).

**DO NOT SEND:**

1. Information about non-liquid funds or property. It is assumed that income from investments will appear in other accounts.
2. Retirement account information.
3. Bank statements or tax returns that are not in your name.

**PLEASE COMPLETE THE SPONSOR'S AFFIDAVIT ON THE OTHER SIDE**
