

**Ossining Extension Center
Surgical Technology Program-Fall 2009**

**INFORMATION SESSIONS FOR THE
SURGICAL TECHNOLOGY PROGRAM**

Attend an information session and learn about this 10-month day program that prepares you to become an integral part of the operating room team and assist surgeons and registered nurses during general and specialty surgeries. Classroom and laboratory components are held at the Ossining Extension Center; clinical externship takes place at an area hospital. Prerequisites: high school diploma/GED, completed Program application, participation in required interviews, and submission of 3 letters of recommendation. Class size is limited, apply early.

The next class starts October, 2009
