NEW Science Skills Boot camp

NEW! Science Skills Boot camp

In one day, overcome your fear of Science! This workshop is geared for students who have registered in either Biological Science 1 or 2 or Anatomy and Physiology 1. Designed for those who have no science background and want to learn the fundamentals prior to attending class. Topics include reading the textbook, metric conversions, using a microscope, and how to study for science classes. Bring a calculator, notebook and pen; all else will be provided.
