### Intro to MAC—\$26.00

Computer skills are essential for adults to function effectively today at home and work. Digital art and design programs require basic knowledge of an Apple (Macintosh) operating system. This introductory class, for those new to the computer or to the Apple operating system, explains the hardware and software. The course is intended for those with low computer literacy skills. Beginners learn basic skills, i.e. using a mouse, using menus and icons, managing files, folders and windows, and navigation in text. The use of storage devices and printers is explained.

#PE-P087 Wed., May 19, 6:30 pm-9:30 pm. (CANCELED)      #PE-P088 Mon., June 21, 6:30 pm-9:30 pm.

**Ever wanted to learn a particular software? Check out our Quick Starts! These intensive noncredit courses will teach you the tools you need to get started! Try a program with an expert instructor before diving into a semester long class. For course descriptions a Quick Start card is available in the front office or call (914) 606-7300 for details.**

### Professional Matting and Framing

Learn from a professional how to mat and frame works of art. Focuses on mat design and cutting and provides hands-on-training. Bring an 8"x 10" piece and give your artwork the presentation it deserves!

M/W, June 14 & 16, 6:00-9:00 pm, \$156 (+ \$50 studio fee). #PE-P243

### Experimental Drawing - Drawing from All Sides of the Brain

This workshop encourages you to discover and develop a unique relationship with all kinds of drawing mediums, from charcoal to contemporary digital drawing. The intention of the workshop is to move you beyond traditional drawing concepts, to explore the endless possibilities of mark making and to develop both unique approaches to materials and your aesthetic decision-making.

Tues., June 1-29, 6:00-9:00 pm, \$150. #PE-P244

### Watercolor with the Figure

Watercolor has properties that make it an ideal medium for quickly capturing the essence of living things, especially people. This course will enable students to gain access to live models and obtain watercolor and figurative skills. These skills include an understanding of the medium's fluidity, properties of light and volume, and an understanding of anatomy and proportion. Props will be provided to create a theater, to frame the model as a character, enabling a story to be depicted.

Wed., June 9-July 7, 6:00-9:00 pm, \$180 (+ \$30 model fee). #PE-P245

### Landscape Painting en plein air

Working on location within the beautiful Hudson Valley students will gain experience painting directly from the landscape. All levels of experience are welcome. Basic principles of focus will be composition, value, shape, harmony, light & rhythm and how they contribute to a successful painting. A demonstration on mixing paint will be part of the first session.

Fri., June 25-July 30 (skip July 2), 11:00 am-2:00 pm, \$180. #PE-P246
