1. In user ID, type your user ID.
2. In Password, your password.
3. Click Sign In.

4. If the browser asks about “secure and unsecured” content, click the response that will let you view everything.
5. In the resulting screen, click Faculty Center (top of the middle column).

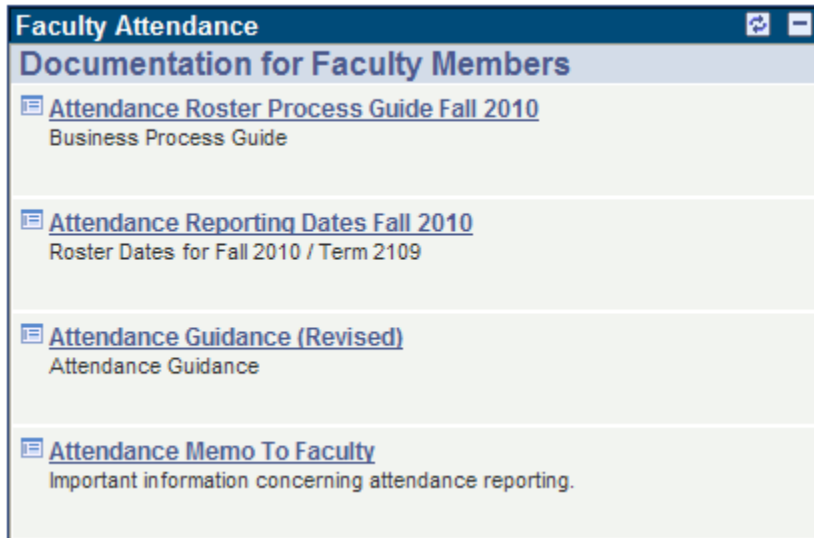

6. You will see a listing of the classes you have been assigned.
7. For the regular class roster, click the  icon. For the grade roster, click the  icon. (If this icon does not appear, the grade roster has not been released yet.)
8. Click Change Class to get the next roster.
9. To return to the beginning page, click Home on the orange/yellow stripe at the top of the screen.
