SUMMER 2010

SECTION A: July 6 – 19

SECTION B: July 20 – August 2

**DIGITAL ARTS CLASSES FOR TEENS
AGES 12 – 17**

NEW! 3D Animation

This course introduces students to the fundamentals of 3D character design and animation. Each student will learn the mechanics of a 3D software environment and produce a moving character of their own invention. Students will be able to take home a Quicktime movie of their animation. **\$103 (+ \$50 lab fee).**

July 6-19, 12:00 noon-2:00 pm. #PE-P285

July 20-August 2, 9:30-11:30 am. #PE-P287

NEW! Digital Storytelling

Analyze films and photographs to understand their impact. By doing this you can create more dramatic work. Everything has a story. It does not matter what type of work you do; even a 30-second commercial has a beginning, middle, and end. Class exercises will fine-tune your skills; some writing involved.

\$103 (+\$50 lab fee).

July 6-19, 9:30-11:30 am. #PE-P288

July 20-August 2, 12:00 noon-2:00 pm. #PE-P289

Digital Animation

Using Flash, make characters, text and images come to life. Explore a variety of computer programs designed for new media, focusing on animation for the web. Learn Flash and Shockwave to create animations, as well as how to construct basic web pages. **\$103 (+\$50 lab fee). Basic computer experience is required.**

July 6-19, 12:00 noon-2:00 pm. #PE-P290

July 20-August 2, 9:30-11:30 am. #PE-P291

Digital Video

Learn to make and edit your own mini-movies for the web, computer, or DVD. Combine video clips, colorful text, designs, graphic art, photos, songs and sounds to create special effects. Create your own

DVD for home use. **\$103 (+\$50 lab fee).**

July 6-19, 12:00 noon-2:00 pm. #PE-P292

July 20-August 2, 9:30-11:30 am. #PE-P293

Graphic Design

Good design makes all the difference! Learn good design fundamentals including type, color, and page layout using InDesign, Adobe Illustrator, and Photoshop, through designing posters or "zines" as well as other exciting, creative design projects.

\$103 (+\$50 lab fee).

July 6-19, 9:30-11:30 am. #PE-P294

July 20-August 2, 12:00 noon-2:00 pm. #PE-P295

Web Design

Create your own unique website! Showcase your art-works or other interests on the web by learning how to build web pages and understand Internet architecture. Designing online has different design demands from print or video; get a head start under the professional guidance of a web designer. Includes HTML and Dreamweaver instruction. **\$103 (+\$50 lab fee).**

Prerequisite: experience with Photoshop and/or Illustrator.

July 6-19, 12:00 noon-2:00 pm. #PE-P298

July 20-August 2, 9:30-11:30 am. #PE-P299

Digital Audio

Explore your musical ideas in our state-of-the-art computer music lab and learn the basics of working with audio on computers. Music sampling, remixing, and audio editing will be covered. **\$103 (+\$50 lab fee).**

Basic computer experience is required.

July 6-19, 9:30-11:30 am. #PE-P302

July 20-August 2, 12:00 noon-2:00 pm. #PE-P303

Game Design

You play them but did you ever wonder how to build a computer game? The gaming industry is an exciting burgeoning field that requires the technical ability of a

computer programmer and the creativity of an artist. Dive into interactivity with a multimedia designer. Start programming and designing your own games. **\$156 (+\$50 lab fee). Previous digital art experience required.**

July 6-19, 9:30 am-2:00 pm. #PE-P304

July 20-August 2, 9:30 am-2:00 pm. #PE-P305

- Digital Arts Classes For Teens and Children
- Affordable Computer Classes for Children
- State of the Art Equipment
- Nurturing Instruction
- Opportunity for Fun & Creativity

**Digital Arts Classes For Teens and Children · Affordable Computer Classes for Children
State of the Art Equipment · Nurturing Instruction · Opportunity for Fun & Creativity**

**DIGITAL & STUDIO ARTS CLASSES
FOR CHILDREN AGES 7 – 11**

NEW! Multimedia Storytelling

Use your own stories and illustrations to make multimedia presentations. Children will develop storyboards that will be realized with image and text in Microsoft Power point and or iMovie. They will create characters, write narration, and use materials to produce their own animation. This course will use iStopMotion software to create stop-animation. **\$103 (+\$50 lab fee).**

July 6-19, 9:30-11:30 am. #PE-P306

July 6-19, 12:00 noon-2:00 pm. #PE-P307

July 20-August 2, 9:30-11:30 am. #PE-P308

July 20-August 2, 12:00 noon-2:00 pm. #PE-P309

NEW! Digital Scrapbooking

This course is an innovative way to design electronic pages for scrapbooks. Students will learn to create layouts, utilize templates, design with type, and personalize their pages. Each student will create their own printed memory book that captures their favorite moments with family and friends. **\$103 (+ \$50 lab fee).**

July 6-19, 12:00 noon-2:00 pm. #PE-P310

July 20-August 2, 9:30-11:30 am. #PE-P311

Digital Art

Using Adobe Photoshop and Adobe Illustrator, learn art fundamentals including color, type, collage and design. **\$103 (+\$50 lab fee).**

July 6-19, 12:00 noon-2:00 pm. #PE-P312

July 20-August 2, 9:30-11:30 am. #PE-P313

Sculpture

Learn how form equals creative expression. This studio art course will focus on understanding the basics of constructing sculpture while teaching concepts with varying mediums. **\$103 (+\$50 lab fee).**

July 6-19, 12:00 noon-2:00 pm. #PE-P314

July 20-August 2, 9:30-11:30 am. #PE-P315

Painting and Drawing

Introduction to a variety of materials, tools, and techniques of 2D art. Explore color, composition, still-life, landscape, and portraiture. Advanced students refine their skills through exercises emphasizing realism and craftsmanship. **\$103 (+\$50 lab fee).**

July 6-19, 9:30-11:30 am. #PE-P316

July 20-August 2, 12:00 noon-2:00 pm. #PE-P317

Cartooning

Do you like to draw cartoon characters? Are you a doodler? This course is for you! Students will draw their favorite characters designed in 3D adding color with markers, colored pencils and in various sculpture mediums. **\$103 (+\$50 lab fee).**

July 6-19, 12:00 noon-2:00 pm. #PE-P322

July 20-August 2, 9:30-11:30 am. #PE-P323

SECTION A: July 6 – 19

SECTION B: July 20 – August 2

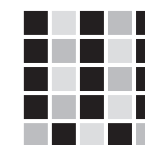

Registration Information

- Students may register for one or more classes for their age group by phone or in person.
- These 2-hour classes meet from 9:30-11:30 am and from 12:00 noon-2:00 pm, with a half hour supervised lunch break at 11:30 am.
- Game Design meets from 9:30-2:00 pm with a half hour supervised lunch break at 11:30 am.
- Students staying for the full day must bring a non-perishable lunch.
- Game Design is \$156 (+ \$50 lab fee). All other classes are \$103 (+ \$50 lab fee).
- Classes do not meet on Fridays.

For more information or to register by phone using Mastercard or Visa, please call 914-606-7301.
