¹ From 1970 to 1985 the spring & summer semesters are in the same calendar year as the fall semester on the same row.

² "UNDUP" stands for unduplicated headcount (an unduplicated headcount is the number of students enrolled in an academic year. No student is counted twice within an academic year). We are unable to produce unduplicated headcounts prior to 1985.

³ As of 1985-86, an academic rather than calendar year is used to present statistics. (e.g., Academic year 1985-86 consists of Fall '85, Spring '86, & Summer '86).
