¹ Percentage of specific disabled students of total number of disabled students.

² Percentage of disabled students is of total fall credit enrollment.

³ Prior to 1994, the term "*Multiply Impaired*" was used. This category is now called "*Other Health Impairments*" (OHI).

⁴ Beginning in 2000, the tracking of disabled students was automated and new categories were added.

⁵ The total is an unduplicated headcount, however many students have more than one disability.
