¹ These are duplicated headcounts. Students may be enrolled in more than one course within a semester and/or within an academic year.

² Includes non-credit courses taught at Northern and Southern BOCES and Literacy Volunteers

³ Non-credit courses began in 1971.

⁴ Began using an academic year rather than a calendar year. For example, academic year 1989-90 includes Fall '89, Spring '90, and Summer '90 semesters.

⁵ State funding for non-credit courses was eliminated for Vocational and Community Service programs.

⁶ State Aidable category discontinued for non-credit contract courses. Only Remedial Courses remain state aidable

⁷ Northern and Southern BOCES contracts were discontinued
