<sup>1</sup> These are duplicated headcounts. Students may be enrolled in more than one course within a semester and/or within an academic year.

<sup>2</sup> Non-credit courses began in 1971.

<sup>3</sup> Began using an academic year rather than a calendar year. For example, academic year 1989-90 includes Fall '89, Spring '90, and Summer '90 semesters.

<sup>4</sup> State funding for non-credit courses was eliminated for Vocational and Community Services programs.

<sup>5</sup> State Aidable category discontinued for non-credit contract courses. Only Remedial Courses remain state aidable.
