What's Happening:

The Career & Transfer Center will be open during Spring Break. Please encourage students to come in to prepare for the two Career Fairs that are scheduled for March 26th (JOB & INTERNSHIP) and April 9th (HEALTHCARE CAREERS). We will offer assistance with Resumes, Interviews and Career Fair readiness. Come to the Fair and see the variety of employers, in the Physical Education building, who will be interviewing and discussing their job opportunities, products and services.

From the Work Study Office: Many students are participating in the Work Study Program this semester. Please contact Maria Clarizio (X6763) if you are seeking student workers for temporary projects or semester long positions. If you are employing student workers it is suggested that you contact Maria to see if they are entitled to Work Study Grants.
