Writing as a Career

NEW Writing for Little Ones:
Ages Baby to Seven
Writing for the very littlest readers is a special challenge. It requires a way of thinking about children: what they believe and know and what they don’t yet know. It involves seeing the world from their unique perspective, even understanding how being little alters their perception of the world. To write for children the author must entertain and guide, and balance between adult communications skills and the child’s world; develop and polish your own work for very young children.
CE-WRITG 2077, 4 Thurs., June 16-July 7, 6:00-9:00 pm, Room TBD, $120. S Weyn. #5714

Writing & Selling Kids’ Books
Have a great idea for a children’s book? That’s a terrific place to start, but how do you progress from concept to published product? Go from getting started to the finish line in today’s changing world of juvenile publishing by exploring the requirements of every audience - baby board books, first chapter, middle-grade, and young adult - from outlining and writing to finding an agent and/or publisher, to self-publication.
CE-WRITG 2073, 3 Wed., June 8-22, 6:00-9:00 pm, KNC-5, $90. S Weyn. #5599

Writing Books for Children and Young Adults
Discover the tools and gain the motivation and information you need to get you started on your children’s books, and keep going to create a finished product! Learn how to develop story ideas, create a main character, plan a setting, devise a plot, uncover a main idea, choose a point of view, and find your writer’s voice. We’ll explore strategies for the best way to market a “kids lit” book in today’s competitive environment.
CE-WRITG 2044, 4 Sat., July 9-30, 10:00 am-12:00 noon, Room TBD, $85. L. Toffler-Corrie. #5535

You play e-sports but did you ever wonder how the gaming industry is an exciting, burgeoning field that requires the technical ability of a computer programmer and the creativity of an artist. Dive into interactivity with a multimedia designer. Start programming and designing your own games. This course utilizes a software named Torque 2D. Students will work with a game designer to develop characters and interactive user experience.

**3D Animation**

This course introduces students to the fundamentals of 3D character design and animation. Each student will learn the mechanics of Maya, an industry-grade 3D software environment, and produce a moving character of their own investigation. In addition, this studio offers 3D scanning and printing technologies. Students will be able to take home a QuickTime movie of their animation and a 3D print of their form.

**Digital Painting and Drawing**

Learn how to utilize a stylus and tablet to create intricate texture maps for 3D objects, self-portraits, and compositing digital photography to create new cosmic vistas. Students will engage in a deep understanding of the technical challenges of drawing and painting utilizing Adobe Photoshop with the help of a master digital painter.

**Filmmaking**

Young filmmakers will create short compositions of sampled images, stop-animations, sound, voice overs, and chroma-key footage that reflect today and envision tomorrow. Students composite layers of images, text, and sound in ways that make meaning to them. This will provide your student with an opportunity to be a digital visual DJ and express themselves through multimedia. Students will utilize tools such as: Final Cut Pro, Garage Band, and green screen production.

**Interactive 2D Animation in Architectural Design**

Students will develop and design abodes for future human beings in 2050. Architects of the future will examine challenges in eco-systems now and extrapolate those issues into future designs, while learning Flash scripting and design tools. Students will output a 2D animated walk-through movie of their design to show how it will be inhabited and how those inhabitants will behave.
Digital & Studio Art Classes for Children: Ages 7-11

State of the Art Equipment • Nurturing Instruction • Opportunity for Fun & Creativity

Students may register for one or more classes for their age group.

2-hour classes are $161 (+ $50 lab/studio fee)

An additional half-hour break is offered at 11:30 am for students continuing to the afternoon session from 12:00 noon-2:00 pm

Traditional Studio Practices for Children

Eco-minded young artists will work with recyclable materials to construct sculptures and mixed-media collages that give them a second life. Students will investigate materials in terms of what they consist of, how they are shaped and how they may be reshaped for new purposes. Students will work collaboratively and acquire strong drawing, observational, and building skills in working with materials.

CE-ART 2157PE, $161 (+ $50 lab/studio fee).

Coding For Kids

Give your child the edge and have them engage in coding sequences of instructions that empower them to control robots and gaming interfaces. Students need to be able to write commands in the right sequence in order to communicate their instructions to others. Computer coding is what makes this possible and is a key 21st Century competency for children today. Students will code stories, animations, and games and share them with others.

CE-COMP 2127PE, $161 (+ $50 lab/studio fee).

The Cookery Restaurant
39 Chestnut Street, Dobbs Ferry
914-305-2336,
www.thecookeryrestaurant.com

Truly a neighborhood restaurant dedicated to capturing the warmth of Italian comfort food. Chef David DiBari has received many accolades during his young career. The neo-nostalgic Italian menu proves evident of his style of cooking, which is to progressively approach simplicity. Chef de Cuisine Mike Bianco will give a demonstration on how to make The Cookery’s house-made mozzarella using fresh curd and filled with chive flowers. He continues with a lesson on how to make ricotta using ingredients from local farms, including corn and tomatoes from The Meadows Farm right next door. Scallion hush puppies made with Wild Hive cornmeal and ultra-ripe tomato salad will be the finishing touch for the picnic. Jon will teach you to craft beers paired especially for the evening’s cuisine. Our dessert will be a refreshing sour cherry sorbet made in his special machine; a great ending as a summer treat. Jon welcomes you to purchase honey from his bees located on the property.

NEW Chocolations
607 East Boston Post Road, Mamaroneck
914-777-3600, www.chocolations.com

Hands-On Chocolate: A chocolate factory with an open shop, this sweet shop offers a variety of items as truffles, bars, and bonbons; they also serve baked goods such as cookies, cupcakes, brownies, chocolate fondue, ice cream, and homemade hot chocolate. Proprietor and chocolatier Maria Valente will explain the difference between chocolate that has been tempered, the kind used in the store, and the kind you can easily work with at home. Our chocolate class will use melt and mold chocolate. We’ll taste different chocolates and enjoy a cool drink; make molded pieces; and will dip and decorate items like pretzels, marshmallows, and cookies. Take home what we create to share or eat it all yourself on the car ride! After class you are welcome to purchase your own supplies to continue at home. A sweet night on the town!

NEW Big Bang Coffee Roasters
1008 Main St., Peekskill
914-433-7278,
www.bigbangcoffeeroasters.com
Weekend JOE! Peekskill’s newest independent coffee shop is the only local roaster-owned shop, boasting exclusively organic, fair trade coffees and espresso. Each coffee is roasted at their own small batch “roaster” located at The Hat Factory, and each bean is roasted to a carefully selected temperature to reveal its ideal flavor profile. This coffee bean producer is committed to being socially responsible and the plants, the workers, and the Earth have been treated kindly every step of the way. They purchase raw beans from a family-owned supplier, who is devoted to sourcing from environmentally conscious organic plantations and the Fair Trade policies.

Join Proprietor Elina Dart as she exposes you to three different regions of coffee beans, and shows how they are served and prepared utilizing three different methods of brewing. This lecture will describe growing regions around the world, processing methods, and roast levels, as well as an overview of the basics of brewing. We’ll learn how to properly extract coffee at home for consistency and the best flavor. Snacks will be served to enjoy with our delicious samples of coffee. Fly solo or bring a buddy to experience the secrets to making a fine brew!

NEW How Sweet It Is
979 McLean Avenue, Yonkers
914-327-4555, www.howsweet979.com

Hands-On Sweet Treats: Sweets shouldn’t only look good; they must taste amazing and make you melt the moment you put them into your mouth. Try a treat you had as a child and get all fuzzy inside. Owner Aurea Roman has always loved sweets; at the age of 7 she used her Suzy Bake Oven to start her own bakery. The theme for our summer cake and candy class will be sugar flowers, salt water taffy, rock candy, and marshmallow fondant. The owner will show us how to make and decorate non-bake cake pops that we can sample with coffee or tea. Chef Aurea will teach us how to make the shop’s fluffy frosting to decorate your own little vanilla cake filled with chocolate mousse. Learn the techniques to create decorations for our cakes utilizing sugars, fondant cutouts, and molded chocolate pieces. Bring out the kid in you!

Sam’s of Gedney Way
50 Gedney Way, White Plains, NY 10605
914-549-0578, www.samsogedneyway.com

BBQ Menu: When Prohibition was repealed in 1933, Sam Eisenstein received the first of three liquor licenses granted in Westchester County. As a tribute to Sam, his patrons elected him Mayor of Gedney Way. Today, owners Peter and Karen Herrero have kept his tradition alive with exceptional quality and service in a comfortable atmosphere and have expanded the business with an extensive catering operation. The Great American BBQ Company caters events in the tri-state area; now they’ve opened a seasonal BBQ Shack on the deck of the 85-year-old restaurant. Culinary Director Joseph Sasso will show you the secrets of making great BBQ. You’ll learn how to roast a whole sucking pig from start to finish with an informative demonstration using La Caja China - translated “the Chinese box.” This method dates back to the 1850’s when Chinese immigrant workers in Cuba toled this roasting box around to cook their meal as they toiled in the sugar cane fields. He’ll show us how to prepare traditional sides and new healthier options utilizing brines, rubs, sauces, and salads. You’ll dine on young swine and Peter will treat us to some summer beverages including sangria, local craft beers, and more. Take these ideas and apply them to your summer parties. So go ahead and andouille sausage etouffee served with Carolina rice. A briny treat from the chef may be in the cards along with a mini education on something from the sea. Our cocktail education is on CSG’s famous summer beverage Ready Aim Fire made with serrano chilies and lime. For dessert, seasonal berries and house-made whipped cream. Come join us for a fun night!

NEW 273 Kitchen
273 Halstead Avenue, Harrison, 914-732-3333, www.273kitchen.com

Mediterranean Inspired/Weekend Lunch: This lovely restaurant and wine bar offers exquisite plates. Owner and Chef Constantine Kalandranis is a master at combining the freshest farm finds. Along with General Manager Christopher Crendon, Sommelier Richard Mitchell, and Executive Chef Hichem Habbas, he makes both the food and service shine. Our chef will teach us to make tzatziki and mezze served with olives, cheese, almonds, and house made pita. Next learn to peel and stuff a beautiful, only in summertime, delicious vine ripened tomato with quinoa, feta, and fresh herbs, served with local arugula and red onion, and adorned with the chef’s specialty: grilled pork kebabs. Our dessert demo: how to make an easy yogurt gelato with honey macerated cherries, embellished with mint and cinnamon walnuts. Our chef treats us to a lesson on a summertime special drink.

Cedar Street Grill
23 Cedar Street, Dobbs Ferry 914-674-0706, www.cedarestreetgrillny.com

N’awlins Cookin’! Located in the quiet downtown, this restaurant offers American themed fare and artisanal beers; their fresh comfort food has many interesting twists. Owner and Chef Matt Kay’s passion for creating specialty dishes began as he watched his grandmother (a former restaurateur herself) cook Italian delicacies. Chef Matt will demonstrate his talents with his New Orleans inspired fare. He’ll teach us to make mac and cheese fritters with a creole dipping sauce. Next a lesson on chicken andouille sausage etouffee served with Carolina rice. A briny treat from the chef may be in the cards along with a mini education on something from the sea. Our cocktail education is on CSG’s famous summer beverage Ready Aim Fire made with serrano chilies and lime. For dessert, seasonal berries and house-made whipped cream. Come join us for a fun night!

Explore Meditation

Part 1: Learn a handy five-minute meditation that will relax you profoundly and deeply—an ideal tool for a busy life. If you’re a beginner, this is an easy way to see what modern meditation can do for you. If you’re experienced, it will expand your perspectives and refresh your practices.

Facial Yoga

Reduce Stress with Self-Acupressure

Acupressure, an ancient healing art, can promote balance in your body, mind and spirit. Learn a combination of acupoint exercises (Qi Gong) as another tool for centering ourselves.

Part 2: Learn how to make meditation a comfortable part of your daily routines; you’ll find your days increasingly infused with bright new joy and an unshakable peace.

Reiki 1

The focus of Reiki I is self-healing. Students will be attuned and certified in the first level of Reiki, Shoden. Learn the parts of the system, how to practice Reiki self-treatment, and how to incorporate it into your daily life. Students will give and receive a Reiki treatment. At the end of the class, students will be given an assignment to complete and document practicum hours; once the assignment has been reviewed, a certificate will be sent. You’re invited to register for Intro to Reiki to gain basic knowledge and experience the flow of Reiki.

Reiki Circle

A great opportunity to give and receive Reiki is through the Reiki Circle series. Participants must be attuned to Reiki. The time will allow for guided meditation, group discussion, and Reiki healing.

Painting and Drawing for Adults
Work with a variety of media and learn different approaches to painting and drawing. Prep a palette, mix colors, use media, work on various surfaces, learn about brushes, investigate the use of colors and shades, and create strong compositions. Drawing and painting from observation will be implemented by working from a live model, still-life arrangements, portraiture, and working outdoors as you develop a working knowledge of art terms and art skills. The class will be encouraged to work together to create the atmosphere of an atelier. For all levels.

Photography Forum: Sharpening Your Photography Skills
OK, so you've got your camera; now what? Make your photography a more meaningful and rewarding experience. A rare opportunity for amateur photographers who would like to share their work with, and get feedback from, a professional. This is a casual gathering, with the teacher guiding the class through shooting assignments and critiques aimed at those who not only want to improve their own photography, but also to increase their understanding and enjoyment of the medium. Historic and contemporary issues will be introduced and discussed relative to the shooting assignments.

At Peekskill Center: CE-PHOTO 2007PE, 6 M/W, July 11-27, 7:00-9:00 pm, $258 (+ $50 lab fee). #5671

CHANGES & CLOSINGS: Programs, requirements, course times/dates and instructors are subject to change without advance notice. Tuition and fees set forth in this publication are similarly subject to change. In the event of severe weather or other emergencies, classes may be cancelled. When this happens, every effort will be made to reschedule the class. For information on emergency closings, visit our website at www.sunywcc.edu or call 914-606-6900.

CONFIRMATIONS: We do not send out confirmations or receipts; if you do not hear from us, assume you have been registered and come to the first class. Retain your course information. We will contact you should your registration be full or cancelled for any reason, or if there is a problem with your registration. Obtain your course information and receipt anytime by accessing your account at www.sunywcc.edu/mywcc (you will need your User ID which can be obtained by calling 914-606-6830 press 1 if you don't have it, or, if you are a first-time student at the college, create an account at the web address listed above).

ROOM ASSIGNMENTS: For classes held at the Valhalla campus, the building/room location is indicated for your class. If Room TBD is the listed location, you can obtain the correct assignment from class start by checking your class at mywcc.sunywcc.edu (be sure to search under “CE” for course subject and set course career to continuing education) or by calling us at 914-606-6830 (press 1), or by stopping by our office in Administration Bldg., Room 207.

PAYMENT OPTIONS: Payment is accepted using credit cards (MasterCard, Visa, Discover), and check or money order. No cash payments accepted.

REGISTER EARLY: Classes are cancelled for under-enrollment several days in advance. We recommend that you register ONE week in advance of the course start date.

PARKING: No permit needed for evening and weekend classes at Valhalla campus. A parking permit is ONLY required for day classes on the Valhalla campus unless parking in Lot 1 (visitor parking). For classes meeting for one session only, use Lot 1; for classes with multiple sessions, use Lot 1 for the first class and, if you want to be in a different lot, obtain a permit from your instructor. Cars parked in other lots during the day without a permit are subject to ticketing by campus or County police. Parking at our community locations varies; call the site directly for information.
