This intensive summer debate camp will enable your child to develop confidence, self-esteem, critical thinking skills, creativity, and leadership. Your child will learn to structure arguments, prepare debate cases, research evidence, write rebuttal briefs, deliver speeches, and refute opponents. There will be a variety of age and experience appropriate topics to debate during the camp. Past debate topics have included: school uniforms (elementary school), pre-emptive strike policy (middle school), and the legal drinking age (high school).
