Degree & Certificate Programs

**Associate in Arts Degrees (A.A.)/Associate in Science Degrees (A.S.)** are awarded to candidates who successfully complete programs which parallel the first two years of coursework at accredited four-year institutions. Credits completed at Westchester Community College are readily accepted for credit toward the bachelor’s degree at receiving institutions. (This is contingent upon the requirements of the transfer school and the student having maintained a satisfactory academic record.)

**Associate in Applied Science Degrees (A.A.S.)** are awarded to candidates who successfully complete programs combining specific career preparation with a foundation of coursework in the liberal arts and sciences. Graduates who earn the A.A.S. degree are prepared to seek immediate employment. Graduates will find that most credit-bearing courses meeting the receiving institution’s minimum grade requirements will be accepted as transfer credit toward a bachelor’s degree. (This is contingent upon the requirements of the transfer school and the student having maintained a satisfactory academic record.)

**Certificate Programs** prepare students for careers in a variety of skilled occupations. One-year certificate programs provide a way for students to gain job skills for immediate employment or to prepare for career advancement by gaining new skills and credentials. College credits earned in a Westchester Community College certificate program may be applied to an associate degree or may be transferable for those who decide to continue their education at another institution.

Students wishing to apply for financial aid are urged to complete their financial aid applications online at www.fafsa.ed.gov by May 1 for the fall semester and by October 31 for the spring semester. For further information about the application process for financial aid, visit [www.sunywcc.edu/finaid](http://www.sunywcc.edu/finaid).

**STEP 4**

**Submit Immunization Records**

New York State Public Health laws require all students taking 6 or more credits to sign the Meningitis Response Form. **STEP 5**

**Placement Testing**

In order to ensure that every student has the greatest chance for academic success, Westchester Community College has a mandatory placement testing policy for all new full- and part-time students. The placement examination is a series of short placement tests used to assess students’ competency levels in English, reading, and mathematics. The results are used to assist academic counselors in helping students plan their educational program. Qualifications to waive the Placement Test based on SAT/ACT/Regents scores or college-level English and/or mathematics courses are available on the Testing Center webpage at [www.sunywcc.edu/testingcenter](http://www.sunywcc.edu/testingcenter). More information about placement testing, including the testing schedule can also be found at [www.sunywcc.edu/testingcenter](http://www.sunywcc.edu/testingcenter).

**STEP 6**

**Advisement and Registration**

All first-time matriculated students are required to meet with an academic counselor who will assist them in the process of class registration. After completing steps 1-5, visit the Center for Academic Counseling and Student Success. These counselors meet with students to discuss their academic and career goals, review academic records and placement test results, and offer assistance in the registration process.
