**RACE:
IS IT INNATE
OR
SOCIALY
CONSTRUCTED?**

**STUDENT
PRESENTER:
Joseph Batista**

Date: Wednesday, March 12

Time: 11:00 AM – 12:00 PM

Location: LIB 320

DESCRIPTION

Many people think of race as an innate characteristic. But is it? This presentation will explore whether this premise still holds up today amongst experts. Joseph Batista will address the topic from a biological, sociological, and historical perspective.
