

SUPPORT SERVICES

Educational Opportunity Program students will receive support services, such as academic, career, personal counseling, and one-on-one tutoring. As part of a student's overall financial aid package, the Educational Opportunity Program provides a stipend in the form of direct aid which can assist with purchasing books, supplies, and transportation costs.

TRANSFERS

You are eligible for EOP as a transfer student provided you have been enrolled in EOP, College Discovery, HEOP (Higher Education Opportunity Program), SEEK (Search for Education, Elevation and Knowledge) or a similar academic and financial support program at your previous institution. If your previous institution did not have EOP or a similar program, you may be considered for transfer eligibility.

Upon graduating from the EOP, you are eligible to apply to a four-year college/university opportunity program and your application fee may be waived.
