

# Fall 2021 Westchester Community College Students

## Login and Learn with Your *#VikingStrong* Community

All ONLINE course options will use two technologies ZOOM + BLACKBOARD:

Go to **WCC Homepage** and under **Quick Links**, click on **Login To Classes** link

If you want to be a Blackboard Expert, go through our self-paced [Student Blackboard Orientation](#) course at your pace!

Be sure to bookmark the Blackboard webpage address: <https://sunywcc.sln.suny.edu>

After you click on **Login**, in the middle of your page, click on one of the course links in the **My Courses** box.

For **Zoom class meetings**, check the instructions outlined by each of your professors. Some courses will have an **Online Meetings** link.

If so, then you can access the virtual live class by clicking on **"JOIN"**
