GENCYBER CAMP

INSPIRING THE NEXT GENERATION OF CYBER STARS

Westchester Community College
Valhalla, NY | Summer 2022 | 9AM - 4PM

Interested in cybersecurity? Want to learn how to defend against cyber attacks?

Apply today for the GenCyber Camp where students will be selected to attend a <u>free</u> one-week program this summer. Students will learn about the fundamentals of cybersecurity and career opportunities through dynamic hands-on challenges and simulations.

The GenCyber Summer Camp will include:

- Hacking Drones Piloting Academy
- Live simulations of cyber attacks
- Escape-room cyber challenges
- Hardware Village: Build a computer
- Networking Village: Create and test cables
- Career Planning and portfolio building
- Guest speakers: Industry Professionals

Program Dates
Pre-camp: June 4
Group 1: July 5 - 9
Group 2: July 11 - 15
Post-Camp: Fall 2022

Program Benefits
