Dear English Language Learner:

Thank you for your inquiry about Westchester Community College's *Accelerated English Language Program*.

Our students are usually preparing to study at a U.S. university or to work in a profession that requires English. Students study at least 18 hours per week, Monday-Friday. Daily student-centered classes engage participants in the study and practice of all language skills: grammar, conversation, listening, reading, and writing.

Information on F-1 Immigration Status and Visa

Important Regulations

- Due to new government regulations for the Spring 2021 semester, students must currently be in active status residing within the United States to receive an I-20 for online ESL programs. At the present time, it is not possible for students to come to the United States with the intent to participate in the Accelerated English Program if you are not currently in the USA and not in Active status.
- The Accelerated English Program is an online course and is available to students around the world without the need for an F-1 visa. Note: as an international student studying from outside the United States, your tuition will be \$ 1,762.00, as stated above.
- Immigration regulations require that you maintain your status as a full-time student while you are in the USA with an F-1 visa. If you stop studying full-time, you will lose your status and may be subject to deportation. Full-time study requires a minimum of 18 hours per week in the Intensive English Program. F-1 students take at least 18 hours per week (Intensive English Program and Accent on Fluency).
- F-1 student status requires special permission to work on campus from the Social Security Administration as well as from the ESL Program. It is considered a serious violation by the Department of Homeland Security if an F-1 student works without permission.
- Your financial documents must prove your ability to pay the cost of tuition, books, and living expenses for the length of your program. Living expenses are expected to be lower if a relative or sponsor is providing your room and board. Please see attached information for specific kinds of financial documentation.

Forms

The Intensive English Program can give you a Form I-20, which is required if you want to apply for the F-1 Student visa. First, you must provide the following to the Intensive English Program:

- *A completed Intensive English Program application form.* Please complete all parts of the application form, including providing a passport-style photograph. In addition, please provide a copy of the information pages of your passport.
- *Financial documentation.* All students must prove that they have the ability to meet financial obligations while studying in the United States on an F-1 visa. Students can meet these expenses in a number of ways:
 1. Personal funds (See *Documenting Financial Support*, which is attached.).
 2. Funds from one or more sponsors (See *Sponsor's Affidavit of Annual Financial Support*, which is attached.).
 3. Local sponsor's promise of free room and board (See *Sponsor's Affidavit of Free Room and Board*, which is attached.).

Please complete the enclosed forms and return to the address below. If you have any questions, please feel free to contact us Monday - Friday. We look forward to receiving your application and having you study with us.

Registration

We encourage all applicants to register **in advance** to guarantee a space in the program. Call 914-606-7744 for more information about registration or to register by telephone. Tuition must be paid in full at time of registration.

Housing

Westchester Community College does not have student dormitories or other living accommodations. Many of our international students live with friends or relatives near the College. Westchester Community College does not supervise, endorse, nor otherwise assume any responsibility for any living arrangements students may make for themselves.

If you have any questions, please feel free to contact us.

Documenting Financial Support

YOU MUST BE ABLE TO PROVE THAT YOU WILL
HAVE THE FINANCIAL SUPPORT TO COVER YOUR MINIMUM ANNUAL EXPENSES
FOR THE ENTIRE LENGTH OF YOUR PROGRAM OF STUDY.

The American Embassy or consulate requires to see that funds are available to cover one year's minimum expenses and that there is sufficient evidence that equal amounts will be available for every year of your program. Our requirements are the same for issuing your Form I-20.

TYPES OF FINANCIAL SUPPORT

- Personal funds.
- Funds from a sponsor such as a parent living in the home country or a local relative or friend.
- Local sponsor giving free room and board.

DOCUMENTING FINANCIAL SUPPORT

1. Sponsor affidavits — the promise to support you by giving you up to a specific amount of money for a specified period of time. Also, if relevant, the promise to provide free room and board.
 2. Six months of bank statements with sponsor's name, monthly deposits/balance, and current balance.
 3. Proof of Employment and Income.
 4. Income tax returns.
- **Documents must be in English, less than three months old, and in US dollars. They must be less than six months old when applying for the F-1 Visa.**
 - **Photocopies and faxes are accepted. The American Embassy will need your originals when you get your I-20 and apply for the F-1 Visa.**

YOUR SPONSOR'S INCOME IS MORE IMPORTANT THAN YOUR SPONSOR'S BANK STATEMENT

- Bank statements are very poor evidence of your sponsor's ability to support you unless the balance is very high.
- Proof of your sponsor's income must be on the employer's letterhead, on income tax returns or receipts, or estimated by a bank or private accountant if the sponsor is self-employed.
- The income of a company is not the income of the owner of the business.

BANK DOCUMENTS

- Bank statements must state: 1) sponsor's name, 2) Monthly deposits/balance, 3) Current balance.
- Bank statements saying "enough" or "sufficient" funds are available, or that "the account holder is capable of supporting the student" will not be accepted.

A SPONSOR IS THE SOURCE OF THE SUPPORT

- A sponsor may be one or more family members, friends, or organizations.
- A family member in the U.S. who is receiving money from another family member in another country to give to you is not a sponsor.
- You may sponsor yourself completely or partially. The amount in your account will be divided by the number of years in your program.

SPONSORS MUST SUBMIT AN AFFIDAVIT

- Each sponsor must submit an affidavit stating exactly what is to be provided annually.
- Affidavits must be signed by the sponsor.

FREE ROOM AND BOARD COUNTS AS CASH SUPPORT

- A person who is giving you a place to live and food to eat must submit an affidavit of free room and board with a copy of the property deed or rental lease or copy of income tax forms on which the house is reported.
- Free room and board reduces living expenses by the amount indicated for living expenses (housing, utilities, and food).
- Affidavits will not be accepted if the place to live is too small or too far from WCC.

NON-LIQUID FUNDS OR PROPERTY ARE NOT ACCEPTED

- Income from investments and property should appear in bank accounts.
- Retirement accounts are not accepted.

Sponsor's Affidavit of Annual Financial Support

YOUR COMMITMENT AS A SPONSOR TO A STUDENT

When you complete the Sponsor's Affidavit of Financial Support on the other side of this page, you are certifying and swearing to Westchester Community College Intensive English Program and the US government that you can and will provide a student with a specific amount of money for every year of study at Westchester Community College Intensive English Program.

It is assumed that you have carefully considered the real costs of supporting the student while living and studying in New York and do not expect that he/she will be able to find employment or other support after beginning school. Employment is strictly controlled by the US Immigration Service and permission to work is extremely difficult to get. You should anticipate that the student's expenses will increase 4-5% annually. Sponsors who fail to meet their stated commitment jeopardize the student's education and legal status in the U.S. and cause pain and suffering.

INSTRUCTIONS FOR COMPLETING THE AFFIDAVIT

1. Fill out the form on the back of this page completely. Please print or type.
2. Promise to provide only the amount you intend and are able to give to the student.
3. Sign the affidavit.
4. Attach documents which prove that you are capable of providing this amount of support.
5. Documents must be in English, less than three months old, and in US dollars. Photocopies and faxes are accepted. However, the student will need original copies when going for the visa.

PROVING FINANCIAL SUPPORT

Prove your ability to support the student by sending us the following documents:

1. Six recent bank statements stating sponsor's name, monthly deposits/balance, and current balance. Bank statements alone will not be accepted as sufficient proof of ability to support the student unless the account balance is very high. Bank statements saying "enough" or "sufficient" funds are available to support a student are not accepted. All statements must indicate US dollar amounts.
2. A letter from your employer on business stationery stating your annual salary, or income tax returns or receipts (preferred for US Residents), or pay stubs for the last six months.

DO NOT SEND:

1. Information about non-liquid funds or property. It is assumed that income from investments will appear in other accounts.
2. Retirement account information.
3. Bank statements or tax returns that are not in your name.

PLEASE COMPLETE THE SPONSOR'S AFFIDAVIT ON THE OTHER SIDE.

The student cannot be required to provide you with any services such as babysitting, cleaning, etc. in exchange for room and board, as that is considered employment.

It is assumed that you have carefully considered the real cost of providing the student with a free room and all meals while living in New York and do not expect that he/she will be able to find employment or other support after beginning school. Employment is strictly controlled by the U.S. Immigration Service and permission to work is extremely difficult to get.
