

4 Year Transfer Schools within One Year of Graduation of 2019-2020 Graduates

The National Student Clearinghouse allows institutions to track students as they transfer from one participating institution to another. Institutions can receive data regarding when and where a student is enrolled as well as if the student has received any credential.

This report examines Westchester Community College graduates who transferred to a four year institution within one year of their WCC graduation. Students who transferred to two year institutions after graduating, re-enrolled at WCC, or transferred more than a year after their WCC graduation are not included.

Of the 1,654 students who received a credential during the 2019-2020 academic year, 727 (44.0%) transferred to four year schools within one year of graduation.
