AWARD ROUND 5: METHOD 5 for Student Eligibility for the Period January 1, 2022 – Present (March 31, 2022) :

SUNY Westchester Community College has prioritized awarding of Emergency Financial Aid Grants to its students in the following manner:

Beginning January 1, 2022, students enrolled in Spring 2022 and who are Title IV (PELL) eligible will be notified of the availability of ARP Act Funding (This will continue until funds are exhausted).

ARP Funding is for continuing expenses based on the ongoing campus disruption due to COVID-19. Expenses include but are not limited to technology needs including laptops and associated conferencing equipment (headphones, better speakers, larger monitor, etc.) and software, Wi-Fi and associated utilities, course materials, etc. Students must complete a certification statement on the college's website to attest and certify that they are COVID-19 impacted to be eligible to receive funds.

Awards will be made to eligible students based on the tiered structure below:

	Award Amount Per EFC Range and FT/PT Status				
	125%	100%	75%	50%	25%
EFC Range	0 - 2,923	2924-5846	5,847-8,769	8,770-11,692	11,693-14,615
Student Awards					
FT Student Awards	\$ 2,120.49	\$ 1,884.88	\$ 1,649.27	\$ 1,413.66	\$ 1,178.05
PT Student Awards	\$ 1,649.27	\$ 1,413.66	\$ 1,178.05	\$ 942.44	\$ 706.83

Notifications will go out via email (MYWCC and personal accounts) with instructions for the completion of the Certification Statement. Students will confirm they are COVID impacted through this Certification Statement (electronic and/or paper).

7. Institutional Instructions, Directions, or Guidance to Students

SUNY Westchester Community College has distributed the following communication to students for Award Round 5/Method 5 (January 1, 2022 – Present)

Institutional Instructions:

All eligible students will be informed according to the campus plan approved by SUNY as follows: New students and students already enrolled for fall and for continuing students are notified of the availability of CRRSAA and ARP Student Emergency Aid through via email, website, phone calls, direct mail and other outreach. Prospective CRRSAA and ARP grant recipients will be informed about eligibility requirements for receiving the ARP grant and how this emergency grant can assist with their educational expenses.

Eligible students who have expenses due to the disruption of campus operations due to COVID 19 include students' ability to cover one or more of the following expenses: housing costs; living expenses; food; healthcare; course materials; technology such as laptops and WIFI; childcare; and transportation.

This grant is available to both new and returning students enrolling in the Fall 2021 and subsequent semesters as funding availability permits.

Students must have a FAFSA on file and meet all Title IV eligibility requirements including SAP. Awards will be applied to the student's financial aid screen and awards will be processed and distributed after the second full week for courses for the semester. This award is not a financial aid package award but an Emergency grant that will not reflect on the students' account to allow for an accurate bill to show on the students' account. Once their registration is confirmed for the fall semester, a direct payment will be sent to their address on file in a form of a check via the Bursars Office.

Awards will be adjusted for any subsequent enrollment changes that increase/decrease full/part-time enrollment.

Students will be notified of the process through communications from Enrollment Management and Community College Relations. Students will be required to complete an affirmation that they have additional expenses due to COVID 19 on the website application.

Awards will be granted in order of FAFSA filing date and student need, until funds are exhausted.
