

Enabling the My Grades Link in Blackboard

In order for students to easily view their grades and any feedback, instructors need to enable the My Grades tool link in their course menu.

1. Make sure Edit Mode is on
2. Click on the + at the top left of your course menu
3. Select Tool Link

4. Name the link My Grades
5. Under Type, use the drop down menu to scroll down to find and select My Grades

6. Click on the box Available to Users
