### From Hunter-Gatherers to Farmers, Native Americans in the Eastern Woodlands

Examine Native American cultures and adaptations over the past 14,000 years. A changing climate, the end of the last ice age and population movements resulted in the development of many prehistoric cultures and diverse ways of life. Native American continuous occupation on the land is readily apparent through the archaeological record. Populations grew and declined, trade and ritual activity became more complex, and relationships to the land changed. Offered at The Shames JCC on the Hudson, 371 South Broadway, Tarrytown. Advance registration on-line at [www.shamesjcc.org](http://www.shamesjcc.org) or by calling 914-366-7898. Fee: \$5 per person 4 Fri., Feb. 7-28, 10:30 am-12:30 pm. E Boesch.

\*Funding for this seminar is provided through a grant from the U.S. Department of Health and Human Services, Administration on Aging: NYS Office for the Aging and Westchester County Department of Senior Programs and Services. All welcome!

### Star-Spangled Mystery

Written in 1814, "The Star-Spangled Banner" is the most controversial song in United States history and it continues to inflame passions. Learn about the fascinating hidden history about our national anthem, punctuated by live musical renditions of the song's original version. Listen to other tunes considered for anthem status. Why did "The Star-Spangled Banner" become our national anthem? Did Jimi Hendrix perform the first controversial version? Why do many Americans stand, cross their hearts and take off their hats when it airs?

# ENGLISH LANGUAGE INSTITUTE

The English Language Institute, located in the Gateway Center, offers English as a Second Language (ESL) classes to meet the needs of learners entering the program at any level, from beginner to advanced. Level is determined by placement exam. Registration begins at the English Language Institute in the Gateway Center, Rm. 243. The Institute is open Mon.-Thurs., 9:00 am-8:00 pm, Fri. 9:00 am-5:00 pm, and Sat., 9:00 am-3:30 pm. Registration instructions are on page xx.

## GENERAL MULTI-LEVEL ESL INTENSIVE (5-DAY) SATURDAY or SUNDAY (ALL DAY) EVENING (2-DAY)

Six levels of ESL instruction are offered. Each level provides balanced instruction and active practice in all English language skills: listening, speaking (including pronunciation), standard grammar, reading, and writing. New students take an examination to determine the level at which they begin study. Our English-only environment for all activities promotes maximum learning. These courses serve the needs of the general learner and learners specifically preparing for college/university study. Instructors are professionals in TESOL (Teaching English to Speakers of Other Languages). Our courses are also offered in Summer (May-Aug.) and Fall (Sept.-Dec.)

## INTENSIVE ENGLISH PROGRAM

5 days, Mon.-Fri. This 15-hour per week course (20 hrs/week for F-1 students) allows motivated learners of English to advance rapidly, starting at any level from beginner to advanced. The Intensive English Program (IEP) meets the needs of serious learners, such as preparation for university study or to increase career possibilities. All students take three classes: Intensive Grammar & Reading- 2 days per week (M/Th), Intensive Listening, Speaking & Pronunciation- 2 days per week (T/F) and Intensive Writing- 1 day per week (W). A placement test is required of all new students. Accent on Fluency, open to all IEP students, supplements the IEP with an additional 5 hours per week of instruction and practice in one or more particular skill or content areas. Students who have F-1 status (have an I-20 form) meet the full-time study requirement by also enrolling in Accent on Fluency.

### Accent on Fluency

The substantial additional speaking and listening practice of this course supplements the Intensive English program (or another ELI English course) and helps accelerate progress towards language learning goals by “deepening” the experience of immersion in English. Also provides additional pronunciation activities to enable you to improve the clarity of your communication.

## Would You Like to Begin a College Degree or Certificate Program?

If you have completed or are now completing ELI level 5 (or have an equivalent level of English proficiency) and are considering enrolling in a college/university program, call the ELI at 914-606-7889 to make an appointment with a TESOL specialist to discuss your future studies. We will help you answer the question: am I ready for college? We will evaluate your English language ability and, if appropriate, provide a referral for entrance to the college. Even if you are not completely ready for college, you may be able to begin a certificate or degree program while you continue studying English. In addition to our general ESL programs, we have specialized ESL courses which have helped many ESL learners succeed in college and achieve their academic goals.

## TESOL CERTIFICATION PROGRAM

The intensive, 12-week, non-credit TESOL certification program prepares you to teach ESL to adults in the U.S. or abroad. Practical classroom instruction integrated with observation and discussion of ELI classes allows for development of knowledge and teaching skills, which you apply and hone by practice teaching in our diverse array of courses which span a broad range of proficiency levels. Additional details at [www.sunywcc.edu/TESOL](http://www.sunywcc.edu/TESOL). Form I-20 is available for TESOL students.
