GENERAL MULTI-LEVEL ESL

INTENSIVE (5-DAY) SATURDAY or SUNDAY (ALL DAY) EVENING (2-DAY)

Six levels of ESL instruction are offered. Each level provides balanced instruction and active practice in all English language skills: listening, speaking (including pronunciation), standard grammar, reading, and writing. New students take an examination to determine the level at which they begin study. Our English-only environment for all activities promotes maximum learning. These courses serve the needs of the general learner and learners specifically preparing for college/university study. Instructors are professionals in TESOL (Teaching English to Speakers of Other Languages). Our courses are also offered in Summer (May-Aug.) and Fall (Sept.-Dec.)

INTENSIVE ENGLISH PROGRAM

5 days, Mon.-Fri. This 15-hour per week course (20 hrs/week for F-1 students) allows motivated learners of English to advance rapidly, starting at any level from beginner to advanced. The Intensive English Program meets the needs of serious learners, such as preparation for university study or to increase career possibilities. All students take three classes: Intensive Grammar & Reading 2 days per week (M/Th), Intensive Listening, Speaking & Pronunciation 2 days per week (T/F) and Intensive Writing 1 day per week (W). A placement test is required of all new students. Accent on Fluency, open to all IEP students, supplements the Intensive English Program with an additional 5 hours per week of instruction and practice in one or more particular skill or content areas. Students who have F-1 status (have an I-20 form) meet the full-time study requirement by also enrolling in Accent on Fluency.

If you have completed or are now completing ELI level 5 (or have an equivalent level of English proficiency) and are considering enrolling in a college/university program, call the ELI at 914-606-7889 to make an appointment with a TESOL specialist to discuss your future studies. CHANGES & CLOSINGS: Programs, requirements, course times/dates and instructors are subject to change without advance notice. Tuition and fees set forth in this publication are similarly subject to change. In the event of severe weather or other emergencies, classes may be cancelled. When this happens, every effort will be made to reschedule the class. For information on emergency closings, visit our website at www.sunywcc.edu or call 914-606-6900.

CONFIRMATIONS: Once your registration has been submitted, simply come to class. We will contact you should your class be full or cancelled for any reason, or if there is a problem with your registration; confirmations are not sent out. Obtain your course information and receipt anytime by accessing your account at www.sunywcc.edu/mywcc (User ID required; contact the Westchester Community College Help Desk at MyWCCHelpdesk@sunywcc.edu or 914-606-5600 for help).

PAYMENT OPTIONS: Payment is accepted using credit cards (MasterCard, Visa, Discover), and check or money order. No cash payments accepted.

ROOM ASSIGNMENTS: For classes at the Valhalla campus, the building/room location is as indicated. If Room TBD is shown, check for room assignment several days prior to class online (be sure to search under "CE" for course subject and set career to continuing education) or by calling us at 914-606-6830, press 1, or by stopping by our office in Administration Bldg., Room 207.

REGISTER EARLY: Classes are cancelled for under-enrollment several days in advance. We recommend that you register at least ONE week in advance of the course start date.

PARKING: No permit needed for evening and weekend classes at Valhalla campus. A parking permit is required for day classes on the Valhalla campus or park in Lot 1 (visitor parking). For classes with multiple sessions, use Lot 1 for first class or, if you want to be in a different lot, obtain a permit from your instructor or WDCE Office (ADM-207 or KNC). Cars parked in other lots during the day without a permit are subject to ticketing by campus or County police. Parking at our extension centers or community locations varies; call the site directly for information.

Campus Security Information

The report also includes institutional policies concerning campus security, alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters. You may obtain a copy of this report by visiting us at www.sunywcc.edu/security or the Campus Security Office, Student Center Bldg, Rm. 118.
