

SUNY Empire State College

[Empire State College's transfer page](#)

SUNY Empire State College is a public institution that was founded in 1971. It has a total undergraduate enrollment of 10,983 with a gender distribution of 38.7 percent male students and 61.3 percent female students. Its setting is suburban. It utilizes an other-based academic calendar. SUNY Empire State College was established as a distinctive statewide SUNY institution focused on nontraditional teaching and learning, where college faculty mentors guide learners through designing an individual degree program within 12 broad areas. The college continues its 40-year commitment to valuing learning gained from life and work experience and has a clear process for assessing and awarding credit for college-level learning gained through experience. Accredited by the Middle States Commission on Higher Education, the college serves mostly working adults pursuing associate, bachelors and master’s degrees onsite at 35 locations in New York state and abroad, as well as online everywhere. The student-faculty ratio at SUNY Empire State College is 9:1. The most popular majors at SUNY Empire State College include: Business, Management, Marketing, and Related Support Services; Public Administration and Social Service Professions; English Language and Literature/Letters; Psychology; and Physical Sciences.
