

# How to Modify RAVE Notifications in the Student Center

The RAVE notification system sends text messages to "Mobile" numbers. Emails notifications are sent to college and personal email addresses. Removing your personal information prevents communication for College closings, security related emergencies, and other College announcements.

To change delivery of the notifications, login to MyWCC and modify your personal information.

The screenshot shows the MyWCC website interface. At the top, there is a navigation bar with the MyWCC logo and the tagline "Building Minds. Building Futures." Below this, there are several main sections:

- Signon:** A box for logging in with fields for "User ID" and "Password", and a "Sign In" button. A red arrow points to the "User ID" field with the text "Enter your ID & password".
- Registration Alert:** A prominent "Attention!" message stating: "You will be unable to use the Registration System in the Student Center beginning SUNDAY evening January 25th 9:00 pm through MONDAY morning January 26th. Please check back after 9:00 AM Monday for access."
- MyWCC Account Activation:** Links for "New Students", "Faculty and Staff Activate Here", "Login Instructions", "Activation Help", and "Forgot My Password".
- MyWCC:** A central message: "Welcome to the Westchester Community College MyWCC guest page. Through MyWCC, both students and college employees are able to access all sorts of information. Guests without a user ID can access all the information available here on our Guest Page including 'Search for Classes'." Below this, it explains how to activate an account and mentions that employees also need to activate their student accounts.
- Registration Information:** A sidebar with links for "RegGuide Guide to Registration", "Search for Classes", "How to Register", "How to Make a Payment Online", "Continuing Educ. Registration", "Returning Cont Ed Students", and "How to Access Your WCC Email".

Once you are logged into MyWCC, click the "Student Center" link.

The screenshot shows the MyWCC website after a user has logged in. The "Main Menu" is visible at the top. The "Student Center" section is highlighted, and a red arrow points to the "Student Center" link with the text "Click on Student Center".

The "Student Center" section contains the following information:

- Student Center:** Manage all school related activities (enrollment, personal information, etc.).
- DegreeWorks (Student):** A user-friendly degree-auditing tool that helps you with course selections, tracking completion, and more! Includes a "Login to DegreeWorks" link.

If you do not wish to receive text notifications click the "Phone" link.
