

# HOW TO SEARCH FOR OCTOBER START FALL SESSION CLASSES

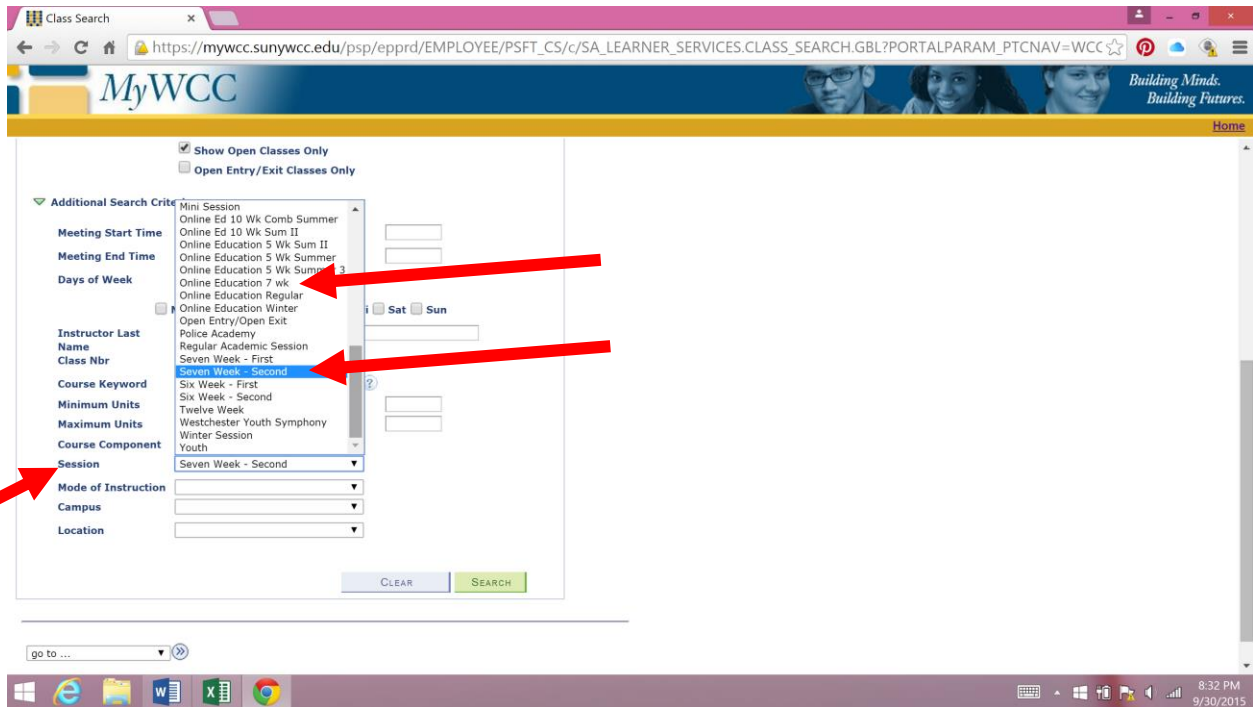

1. Go to [MyWCC](https://mywcc.sunywc.edu) to “Search for Classes” under “Registration Information.”

2. Expand the “Additional Search Criteria” by clicking on the arrow.

- Under Additional Search Criteria, go to **“Session”** and select either **“Seven Week - Second”** for in-person classes or **“Online Education 7 wk”** for online classes.

## IMPORTANT DATES

- Registration is now open and ends on Tuesday, October 20.
- Instruction begins on Monday, October 19.
- Instruction ends on Wednesday, December 16.
- The final exam period is between Thursday, December 17 and Wednesday, December 23.

## IMPORTANT NOTES

- Students should NOT withdraw from a course they are currently enrolled in to take the same course in the new session. Students who wish to explore this possibility should refer to an Academic Counselor (Student Center Room 222) for advisement as there are significant financial aid, payment, and academic concerns associated with this.
- Only Title IV federal aid (Pell, SEOG, direct loans) may be awarded to students for these courses; New York State aid (known as TAP - Tuition Assistance Program) cannot be used to pay for these courses. The college also accepts cash, checks, and credit card payments.
- The same policies hold true for students taking developmental courses and/or on academic probation. They will need to meet with an Academic Counselor (Student Center, Room 222) to discuss the possibility of enrolling in an additional course.
- No payment plan will be offered for these courses.
