Graduates:

On behalf of the Westchester County Board of Legislators and myself, I extend a sincere congratulations and best of luck to Westchester Community College's Class of 2019. You have been exceptional representatives of the College. I have no doubt that you will continue to serve as worthy ambassadors for the college by building upon its reputation for excellence.

Your hard work and determination truly came to fruition, and I am glad to be able to recognize your accomplishment. You have set a great example not only for yourselves, but for residents both young and old across our county.

Being a college professor, I place an added value on education, particularly higher education. I truly commend your efforts in achieving your goal.

If I can ever be of any assistance to you in the future, please do not hesitate to contact me.

Sincerely,

Margaret A. Cunzio
