

Mathematics Placement Scores and Exemptions – Approved 1-24-19

This document contains the Next-Generation ACCUPLACER scores and possible exemptions from placement testing in mathematics at Westchester Community College. **These scores and exemptions take effect when placement testing for Summer 2019 begins.**

It is recommended that students meet with a counselor to discuss placement options prior to scheduling the placement exam. Students using SAT, ACT, and/or Regents scores for exemption must submit official documentation. Those with prior college-level work must submit a transcript from an accredited college/university (unofficial OK). *Students using Regents scores for exemptions must have graduated high school in the past 3 years. All other exemption documentation must be less than 5 years old, with the exception of prior college coursework, CLEP scores, and AP scores.*

Math 92 (Placement Code 40.01)	
Placement Score	200 – 245 Arithmetic 200 – 245 Quantitative, Algebra, Statistics (QAS)

Math 93/94 (Placement Code 40.02)	
Placement Score	246 – 300 Arithmetic 200 – 245 Quantitative, Algebra, Statistics (QAS)
SAT Math Score	480
ACT Math Score	18
NYS Regents	65 on 1 Regents Exam (Algebra 1, Algebra 2, or Geometry)

Math 116/117/120/123/130/135/138/140 (Placement Code 41.01)	
Placement Score	246 – 300 Quantitative, Algebra, Statistics (QAS) 200 – 259 Advanced Algebra and Functions (AAF)
SAT Math Score	530
ACT Math Score	22
NYS Regents	80 on 1 Regents Exam (Algebra 1, Algebra 2, or Geometry)

Math 160/161 (Placement Code 42.01)	
Placement Score	260 – 275 Advanced Algebra and Functions (AAF)
SAT Math Score	580
ACT Math Score	25
NYS Regents	80 on all 3 Regents Exam (Algebra 1, Algebra 2 & Geometry)
Prior College Course	C or higher in College Algebra*

Math 180/181 (Placement Code 43.01)	
Placement Score	276 – 300 Advanced Algebra and Functions
SAT Math Score	630
ACT Math Score	28
Prior College Course	C or higher in Precalculus*

Advanced Placement (AP) Exam Information

AP Exam	Score	Course Credits Granted
Calculus AB	3, 4, or 5	MATH 181 – Calculus 1
Calculus BC	3	MATH 181 – Calculus 1
Calculus BC	4 or 5	MATH 181 – Calculus 1 MATH 191 – Calculus 2
Statistics	3, 4, or 5	MATH 140 – Statistics

College Level Examination Program (CLEP) Information

Students who have scored 50 or higher on the given CLEP exam will receive credits for the indicated course.

Test	Course Credits Granted
College Mathematics	MATH 100-TR
College Algebra	MATH 130 – College Algebra: Functions and Models
Precalculus	MATH 161 – Precalculus
Calculus	MATH 181 – Calculus 1
